Subject: BNSF Haystack Bid Walk Notification

Good afternoon,

BNSF is planning to hold a construction bid walk at the Haystack Mines site next Tuesday, August 27th, at 1pm. Currently, BNSF (Mike Makerov), Arcadis (Mike Winter and Kleimin Pena), and the three Navajo construction firms will be present for the bid walk. The primary objectives of the bid walk are to allow the contractors to observe the TCRA areas for soil removal and to observe the current and new Ex. 6 Personal Privacy (PP) lease locations. No gamma scanning is planned for this field event.

We would of course be glad to have you attend as well so please let us know if you plan to do so. We can discuss the bid walk further on tomorrow's call.

Vivian, would you be able to notify the Ex. 6 Personal Privacy (PP) of the upcoming field activities?

Thanks
Ali
